Seems like?? It is.... When Solidarity finally took to the streets in Poland, they realized that they outnumbered the Communists by many orders of magnitude. That was the beginning of the end for the entire Communist Bloc.

lol, was thinking the same thing. Power holders need to be put on notice that most of the country is behind the president. Anyone that stands against the people will be trampled.

If you're not ready to die for Trump, you're not ready to die for America.

They tried to take it away from all of us. They only succeed if we *let* them. The time has come to fight for the man that has so valiantly fought for *us*.

Seems like? Near?

No.

This IS a call to action and the time is now.

There are people on this site, right now, offering to get you to DC on 1/6 for free.

Have a serious medical condition that really, truly means that you can't go? Fine. You CAN help organize a way to get 100 people to go and stand for you.

100 people. You can do this with ONE phone call to a local bus rental or charter company, then spreading the word around that arrangements are made for everyone who wants to get on the bus. It doesn't have to cost you a penny.

Here are some suggestions on how to do this: <https://thedonald.win/p/11R4ubJaYj/group-transportation-to-dc-for-t/>

I watch them and think: "bunch of dirty hippies like I used to be in the 90s"; AKA, liberals - real ones. I think the liberals split into two factions over the last 5 years - true "free speech" types who are now MAGA because they realized the left has lost it's collective mind - and the other half just has no idea WTF is going on.

No sane liberal is pro - SJW.

My 2 sons, the Marines, and I are booked on Amtrak and at the same hotel we booked at for the March for Trump on Dec 12. Good access to Freedom Plaza and to the US Capitol.

It's put up or shut up time boys. No more talk! Just action. Justice Roberts threw out the Texas Case because he is afraid of riots. Well guess what Mr. Pedo Island you awoke the MAGA Giant and his pet Kraken.

America's standing military is 1 million eight hundred thousand people strong, approximately. Donald Trump received 74 million votes, approximately. On January 6th Donald Trump needs to demonstrate to Congress and the world that if you attempt to overthrow our government it's not our military they should have concern for.

First time I've seen it...gives me chills. We are not rolling over this time; first President since Reagan who will put America First. No, I'm in this for my grandkids, I want them to have the country I grew up in, before we let the hippies, lefties, globalists and all the other *ies* and *ists* take over. We want our country and freedom back.
